Get on the Job

What Job?

The American People can End War in OUR time if they GET ON THE JOB! —Major-General John F. O’Ryan.

HOW?

Build Friendships—Not Warships
Learn to Work Together—Apply the Golden Rule

IT WORKS!

Give your support to the Briand-Kellogg Treaty.
Thank Secretary Kellogg for his work for it.
Ask the President to submit it promptly to the Senate.
Write your Senators urging early ratification without reservations.

"The signing of the Multilateral Treaty by fifteen nations promises to prove so epoch-making in the moral and spiritual life of mankind as to call for the widest and most grateful recognition by all the religious forces of the world."
—Rev. S. PARKES CADMAN, D.D.

"By no means does the renunciation treaty abolish war, but it is a mighty stride toward it. He who denies it has a screw loose somewhere."
—Mrs. CARRIE CHAPMAN CATT.

"What we need today is a taboo on War. We should shut our ears to the arguments of the militarists, the navalists, and the munition makers. I am in favor of the Kellogg Treaties because they are a step in putting a taboo on the stupidest present form of human activity.
—Judge GEORGE W. ANDERSON, United States Circuit Court, Massachusetts.
