

My dear Friend,

Warm thanks for your kind and much appreciated letter. I have missed very much not to see you in person. But I hope the new year will afford me many possibilities to make up for it. You know how welcome you always are!

Warm thanks, also, for all your understanding and help. And for all you continue to do for our common purposes!

SEASON'S GREETINGS

With all good wishes for your
Holidays and the New Year,
and with warm regards
Yours
